THANKS to our Sponsors

JOIN US! The 2026 Studio Tour is organized by Great Falls Studios, a collective of artists who live or have studios in Great Falls, Virginia. GFS was founded in 2003 to promote the artistic and professional endeavors of our artist members, and to increase opportunities for experiencing art in our historic village.

The annual Studio Tour is about artists reaching out to the wider community and introducing visitors to a variety of art media and local talent. Artists you'll meet on the tour create paintings, fiber art, photographs, sculpture, woodcarving, printmaking, jewelry, pottery, and more.

Studio Tour gives visitors a chance to meet artists working in their "native habitats," learn about their creative processes and perhaps purchase a unique work of art.

HOW TO: Studio Tour is a self-guided driving adventure to explore art studios all over Great Falls, meet artists, ask questions, watch demonstrations, and participate in hands-on activities.

Design your Tour by choosing artists you'd like to visit, or choosing a part of town you'd like to explore. Handicap accessibility and hands-on activities are indicated on the map.

An interactive map and more details about the artists can be found on our website.
